

## Endorsed Business Partners

CHG Healthcare is one of the largest and most experienced healthcare staffing firms in the United States. The CHG family of companies offers temporary and permanent placement for physicians, nurses, and all categories of allied healthcare professionals.

Commerce Bank is a national leader in payments and revenue cycle management. A Health Services Financing (HSF) program features a line of credit to be presented to patients or the financially responsible party. An HSF account is a manageable way for patients to pay their balance over time, at a reasonable rate, while providers receive upfront funding for patients' outstanding balances.

Medical Solutions is an industry-leading workforce solutions provider which streamlines clinical and non-clinical healthcare staffing through fully customized programs. Nationwide, Medical Solutions has helped healthcare facilities gain whole-house efficiency, control labor costs, and enhance patient care standards by finding the right people at the right time.

Managed Care Advisory Group (MCAG) is an expert in obtaining money for businesses from class action settlements via the Settlement Recovery Service (SRS) on a no risk, contingent fee basis. They represent hundreds of hospitals, including many of the nation's largest systems, and have distributed hundreds of millions of dollars to their clients.

Merritt Hawkins & Associates is the nation's leading physician and allied jobs placement service. They fill more permanent physician jobs than any other firm, leading the physician search industry not only annual revenue but also in the number of available permanent physician jobs, successful placements, and professional endorsements.

Performance Healthcare Solutions (PHS) RXPool Pharmacy Benefit Management (PBM) Savings solution provides hospitals of all sizes the ability to have leverage when negotiating their Employee Drug Benefits. The RXPool is an aggregation of hospitals across the country that will be used to leverage a significant Employee Drug Benefit savings for members of the RXPool.

PreCheck is the healthcare industry's premier background screening firm. PreCheck's healthcare talent screening services include employment background checks, occupational health and drug testing, OIG/GSA exclusion screening, professional license management and ongoing monitoring, automated employment verifications, immunization tracking, and electronic I-9 and E-Verify processing.

SUNRx is a health care technology company that assists health care facilities with 340B administration, including split-billing and 340B contract pharmacy network administration and other pharmacy transactions to eligible patients; and other technology products which assist health care facilities to optimize their supply chain and pharmacy operations.

## Insurance Services

Gallagher's Executive Benefits Practice consults with both for profit and nonprofit organizations in all industries. They design executive retirement planning, benefit funding, investment strategies, and individual life insurance and disability income solutions that support your key leaders and overall organization.

Insurance | Risk Management | Consulting

In 1993, two national hospital systems joined forces to maximize purchasing power, improve benefits and simplify administration, forming the Healthcare Benefits Alliance Trust (HBA). The HBA Trust has since grown to cover over 900 healthcare-related organizations. All groups within the Trust benefit from individual underwriting while leveraging the pooled experience of over 1,000,000 lives, which allows a greater balance of risk.

LMC offers Property and Casualty Insurance, Employee Benefits, Health Management, Financial Services, Contract and Commercial Surety Services, Builder's Risk Insurance, Personal Insurance, Special Event Insurance, and Risk Management Services.

Constellation is a growing portfolio of medical professional liability insurance and partner companies formed in response to the ever-changing realities of health care and dedicated to reducing risk and supporting physicians and care teams, thereby improving business results.
